

SAFER RECRUITMENT POLICY

Safer Recruitment Policy

(adopted from Manchester Children's Services Policy for Schools and settings September 2014)

1. INTRODUCTION

- 1.1** This policy has been developed to embed safer recruitment practices and procedures throughout **Prosper Learning Trust** and to support the creation of a safer culture by reinforcing the safeguarding and well-being of children and young people in our care. This policy complies with guidance outlined in *Keeping Children Safe in Education – updated 2016 and Dealing with allegations of abuse against teachers and other staff – DfE 2012*.
- 1.2** This policy reinforces the conduct outlined in the Government Office North West 'Guidance for Safer Working Practice for Adults who Work with Children and Young People' as well as the school's whistle blowing policy all staff are expected to be familiar with. All successful candidates for paid or volunteer employment will be made aware of these documents.
- 1.3** This policy is an essential element in creating and maintaining a safe and supportive environment for all pupils, staff and others within the school community and aims to ensure both safe and fair recruitment and selection of all staff and volunteers by:
- attracting the best possible candidates/volunteers to vacancies
 - deterring prospective candidates/volunteers who are unsuitable from applying for vacancies
 - identifying and rejecting those candidates/volunteers who are unsuitable to work with children and young people
- 1.4** **Prosper Learning Trust** is committed to using disciplinary procedures that deal effectively with those adults who fail to comply with the school's safeguarding and child protection procedures and practices.
- 1.5** As an employer we are under a duty to refer any allegation of abuse against a member of staff to the Local Authority Designated Officer within one working day of the allegation being made. A referral will be made if a teacher or member of staff (including volunteers) has:
- behaved in a way that has harmed a child, or may have harmed a child
 - possibly committed a criminal offence against or related to a child
 - behaved towards a child or children in a way that indicates he or she would pose a risk of harm if they work regularly or closely with children
 - conducted an act which is deemed inappropriate and may impact on the school's reputation or confidence in staff's ability to safely work with children.

- 1.6** As an employer we are under a duty to refer to the Disclosure and Barring Service (DBS), any member of staff who, following disciplinary proceedings, is dismissed because of misconduct towards a pupil and we may refer any concerns we have before the completion of this process.

9. INDUCTION

9.1 All staff and volunteers who are new to the school will receive information on the school's safeguarding policy and procedures and guidance on safe working practices as part of their induction training.

9.2 An effective induction package should include:

- i. Organisation (about the Academy, buildings, facilities).
- ii. Copies of relevant documents/procedures (policies, procedures, health and safety, handbooks etc.).
- iii. Introduction to staff
- iv. Information of staffing structure and relationships, including a clear understanding of line management responsibilities.
- v. Job description and person specification.
- vi. General nature of work and standards expected.

9.3 All successful candidates will undergo a period of monitoring and will:

- Meet regularly with their induction tutor
- Meet regularly with an allocated mentor
- Meet regularly with their line manager
- Attend any appropriate training

Feedback on performance of new starters will be requested from the induction lead, mentor and any teaching staff who have worked with a new employee in their team. Any identified support needs will be addressed and where necessary additional training may be arranged for an employee.

10 Probationary Period

- 10.1 An important part of the recruitment process is to monitor the performance of new employees to ensure that they are able to fulfil their new roles and responsibilities before confirming the appointment at the end of the probationary period of service and that the Academy is providing the right support and training to enable them to do so.
- 10.2 It is important to inform applicants, where appropriate, at the interview stage that their appointment will be subject to a probationary period. Probation is inescapably linked with induction and the underlying theme of both is to enable new employees to integrate quickly and effectively into their posts and the Academy.
- 10.3 On being appointed all successful support staff employees will complete a 6 month probationary period. For teachers referral should be made to the STPCD.

The probationary period provides the opportunity to make a judgement about whether employees are competent and motivated sufficiently to perform the duties of their jobs and it is only within the context of all of the elements listed above being communicated and understood, that new employees can be reasonably monitored and assessed.

A new employee must be reminded, as part of the induction process that s/he is on probation.

Feedback on performance will be collated from the induction lead, teaching staff who have worked with a new employee in their team and allocated mentors.

New employees will be notified when their probation period ends and will meet with a nominated person/line manager or Senior Leadership Team member to discuss any identified support needs and performance. The nominated person will determine whether or not expectations have been met using feedback collated and will confirm whether employment will continue. In a situation where a performance has not met expectations further guidance will be taken by the academy from the appointed HR advisor.

11 SUPPLY STAFF

- 11.1 **Prosper Learning Trust** will only use those agencies which operate a Safer Recruitment Policy and supply written confirmation that all relevant checks have been satisfactorily completed. Any information disclosed as part of the DBS check will be treated confidentially.
- 11.2 **Prosper Learning Trust** will carry out identity checks when the individual arrives at school.

11. PERIPATETIC STAFF

11. Prosper Learning Trust will require that all necessary checks and DBS requirements have been satisfactorily completed for peripatetic staff.
