

# Pupil Premium 2017/ 18

---

In the 2017 to 2018 **financial year**, schools will receive the following funding for each child registered

- £935 for eligible secondary-aged pupils  
Schools will also receive £1,900 for each looked-after pupil (currently no LAC pupils at school).
- As year 7's are only funded by the in-year catch up grant there is no current pupil premium allocation for the academic year 2017 – 18 for these pupils. Therefore the funding will be reviewed mid-year.
- **The pupil premium allocation for 2017-18 to be £16,830 (18 x £935).**

## **How we plan to spend academic year's allocation 2017-2018**

The aim of Pupil Premium in the 2017 – 18 year is to diminish the difference between 'All Pupils' and those entitled to 'Pupil Premium'. However, we also recognise the need to maintain high standards for all and therefore the end of key stage targets are ambitious for all pupils building on previous successes.

The focus this year is to ensure excellent progress in the subjects of PE, music and MFL and diminish any difference in performance between pupil premium pupils and non-pupil premium pupils within English- speaking and listening.

In order to achieve this target the school is implementing the following actions

- Engaging a PE specialist who will lead on the development of PE so pupil outcomes in PE are improved
- Engaging a speech and language therapist ½ day per week to support improved outcomes in speaking and listening
- Engaging a music specialist ½ day per week to support improved outcomes in Music
- Revising and resourcing the MFL curriculum to improve outcomes in MFL
